Remarks

Rare end-unit opportunity! This spacious 4-bedroom, 2.5-bath townhome is located near the end of a quiet cul-de-sac and backs to a peaceful nature preserve with no rear neighbors. New carpet and fresh paint throughout. The open-concept main level features wood-look flooring, granite countertops, coordinating black appliances, and a comfortable layout for everyday living and entertaining. Additional features include washer and dryer hookups, a rear patio with tranquil preserve views, and an attached one-car garage offering parking and extra storage. Conveniently located near shopping, dining, schools, and major commuter routes. End units with four bedrooms, a garage, and this much privacy do not become available often--schedule your showing before it is gone!
